April 5, 2005

AMENDMENTS TO THE DRAWINGS

The attached sheet of drawings includes changes to Fig. 2. This sheet, which includes Figs. 1 and 2, replaces the original sheet including Figs. 1 and 2.

Attachment: Replacement Sheet(s)

REMARKS/ARGUMENTS

In view of the amendments and remarks herein, favorable reconsideration and allowance of this application are respectfully requested. By this Amendment, claims 1-13 and 16 have been canceled without prejudice or disclaimer. Thus, claims 15, and 17-22 are pending for further examination.

Applicant notes, with appreciation, that claims 16-22 have only been objected to. These claims have been placed in independent form in order to put them in condition for formal allowance. Thus, allowance of these claims is respectfully requested.

The rejections of the remaining claims have been obviated as a result of the cancellation of claims 1-13 and 16.

With respect to the drawing objections, Applicant has submitted a new drawing sheet herewith that is believed to address the objections. Specifically, the product registration database has been identified and a bracket has been added to clarify Fig. 2, as suggested by the Examiner.

In view of the above, Applicant believes this application is now in condition for allowance. Thus, withdrawal of the rejections and allowance of this application are earnestly solicited.
